A Note from the Board President

Dear Community Members,

For 30 years, the Broomfield Community Foundation (BCF) has been dedicated to serving our neighbors and improving our community. Thanks to your support, we've distributed over \$4.5 million in aid, addressing key challenges in Broomfield.

Working closely with local nonprofits, businesses, and government, in 2023 we've distributed \$530,804 in grants and scholarships, focusing on Human Services, Education, Seniors, Arts, and Civic initiatives. Also, initiatives like our Volunteer Match and the Broomfield Community Service Network (BCSN) foster connections and resource sharing among local service providers.

We extend our gratitude to our Board, staff, and community partners for their tireless efforts in advancing our mission. Together, we're building a stronger, more vibrant Broomfield for future generations.

In Gratitude,

Lisa

Lisa Herman, President

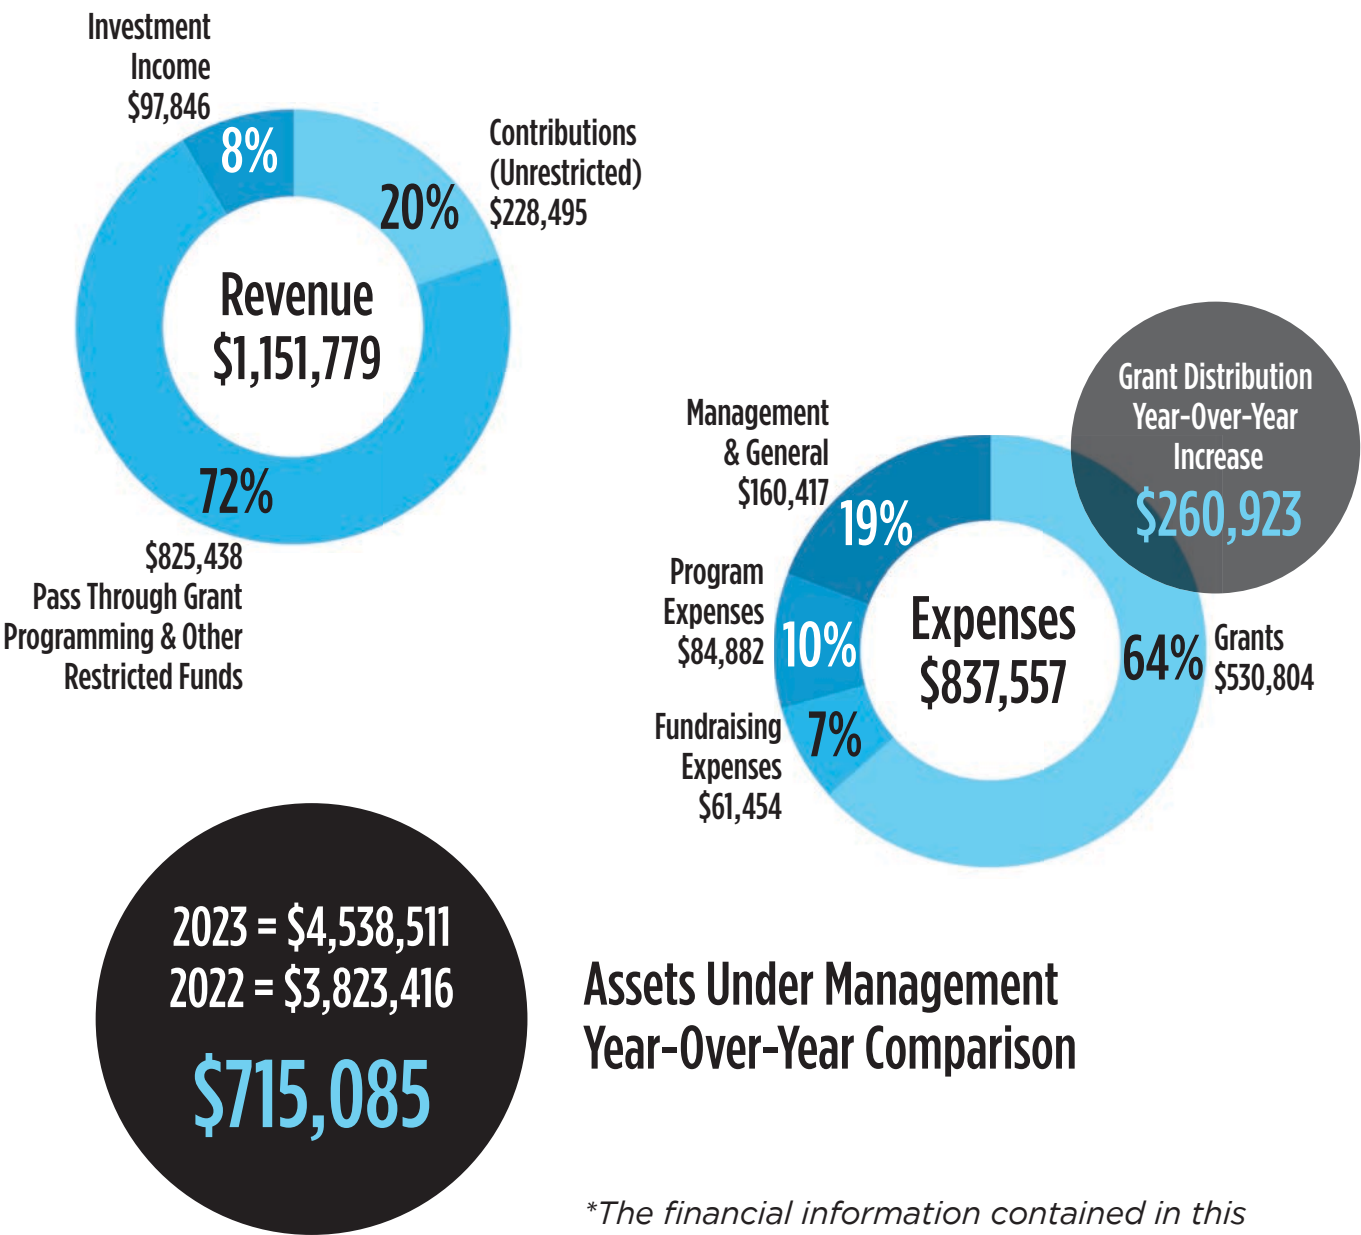

THIS YEAR'S REPORT IS EXPANDED,
HONORING 30 YEARS OF BCF HISTORY.

FINANCIALS*

The Broomfield Community Foundation is more committed than ever to its mission of supporting and providing grantmaking opportunities.

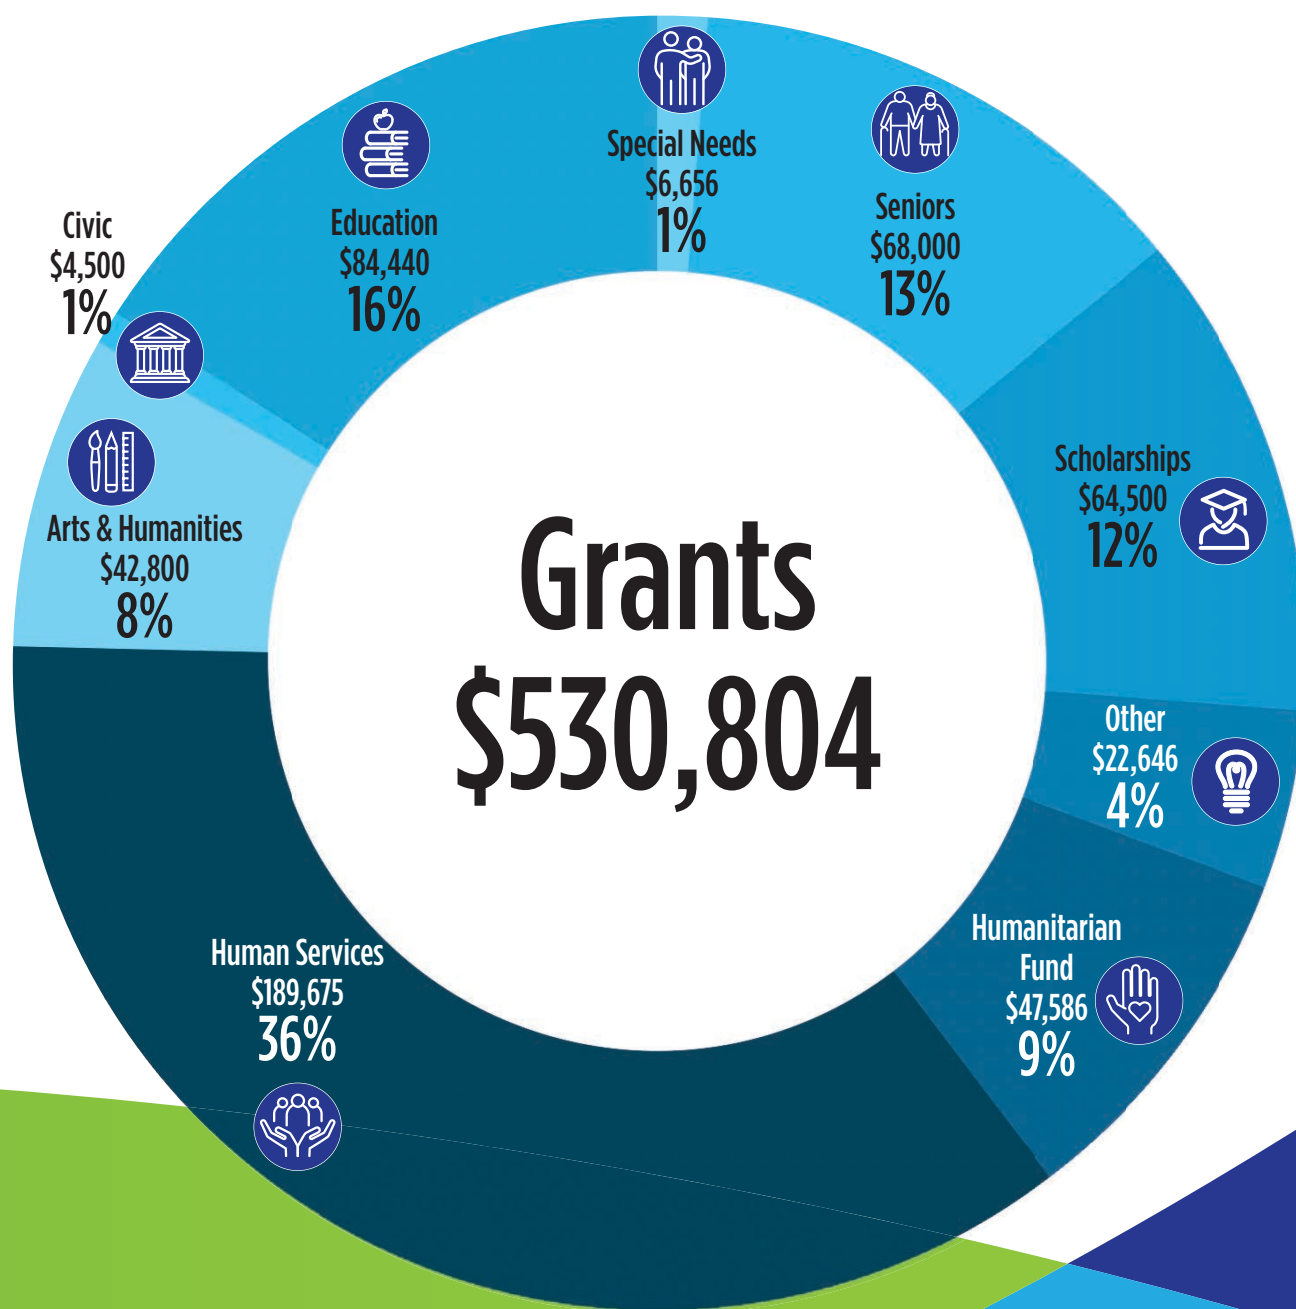

The Broomfield Community Foundation, along with the City & County of Broomfield Department of Human Services, continued in their effort to join forces again this year to streamline grant distributions and increase collective impact.

2023 GRANTS

The purpose of the Broomfield Community Foundation is twofold. First, we aim to grow the Foundation's fiscal resources to support our varied grants programs, directly benefiting Broomfield residents. See a breakdown of our financial support by category below, as well as a list of our 2023 grant recipients, which can be found on page 13.

Second, we seek to bring together a variety of community resources to support our nonprofit organizations through enhanced collaboration, targeted training, networking, and capacity building forums. Also, in 2023, we joined forces again, in our second year of collaboration with the City & County of Broomfield's Department of Human Services to combine our grant distribution programs, streamlining the application process and increasing collective impact, while freeing up already overburdened staffing resources of our nonprofit grantees.

30th Celebrations &

The City Declares Broomfield Community Foundation Day!

In celebration of the BCF 30th anniversary, the City and County of Broomfield declared September 12th as Broomfield Community Foundation Day. Marianna Williamson, Tiffany Stockard, and Dion West proudly display the proclamation.

Founders Appreciation

All of our previous board members, fund holders, and founding business sponsors were invited to a Founding Members event in October. While the weather wasn't completely cooperative, our valued guests nevertheless were able to reconnect, reflect, and reminisce on their part in the Foundation's remarkable journey spanning three decades.

Special Fundraising Endeavors for Expanded Grantmaking Dollars

With the generous support of Robbin Merta at RE/MAX Elevate, BCF offered a sweepstake. Tying in the big 3-0, \$3000 was raffled off! Kerry McGlynn of Broomfield kindly donated the winnings back to BCF.

Founders Matching Challenge - Broomfield Gives Month

In honor of 30 years, many of our original and strongest supporters challenged the community to participate in a match program in which all gifts donated in the month of November were tripled up to \$30,000!

Donor Support Enables Community

BCSN connects nonprofits, foundations, government agencies, businesses, and religious institutions to build capacity for greater collaborative impact.

- Network partners gather monthly to exchange resources, workshop difficult cases, learn from thought leaders, and dismantle the silos that so frequently divide the public sector.
- Between meetings, partners share resources and events via a weekly e-newsletter that reaches more than 250 local service providers.

BCSN Ice Cream Social

Voluntary Organizations Active in Disaster | www.broomfieldvoad.org

- Broomfield VOAD is a group of citizens and organizations that support the City & County of Broomfield by providing and mobilizing trained and vetted volunteers in cases of local emergencies.
- The goal of this strategic network to maximize the capabilities of those organizations and to help disaster survivors and their communities.

KNOWLEDGE SERIES

In 2023 the BCF held a Sustainability Knowledge Series learning session, hosted by Premier Members Credit Union to provide local residents and businesses with an overview of ways to build more sustainable practices in their homes, workplaces and neighborhoods. We welcomed speakers from the City & County of Broomfield, Sustainable Broomfield, Baseline and Premier Members Credit Union.

VOLUNTEER MATCH

We hosted our 4th annual Volunteer Match featuring over 20 local charitable organizations who showcased their services and volunteer needs. Sponsored by Sunflower Bank in 2023, the event facilitated meaningful interactions between attendees and nonprofits, leading to the formation of new volunteer relationships.

Look for a September 2024 date so you can uncover your next incredible volunteer opportunity.

CONNECTING THE GENEROSITY OF DONORS

Broomfield United Methodist Church was an excellent illustration of ‘pooling power for good.’ For weeks at a time, the congregational offering was designated to BCF, and in turn, grantmaking goes toward supporting neighbors facing housing insecurity.
